Presents

PIONEER 1969

A dense, black and white collage of various images. At the top, there's a large close-up of a man's eyes. Below it, a group of people walking on a path. To the right, a woman smiling. In the center, a group of men in suits, one holding a microphone. To the left, a woman's face in profile. Below the center, a man in a military-style uniform (Mao Zedong). To the right, a man in a suit. Below the Mao Zedong image, a large Uncle Sam figure pointing. To the right of Uncle Sam, a man in a military uniform. In the bottom left, a large image of a hand holding a cigarette. In the bottom right, a man in a military uniform. The collage is filled with many other smaller images of people in various settings, some with text overlays like 'FUNK & WAGNALLS' and 'Marlboro'.

Foreword

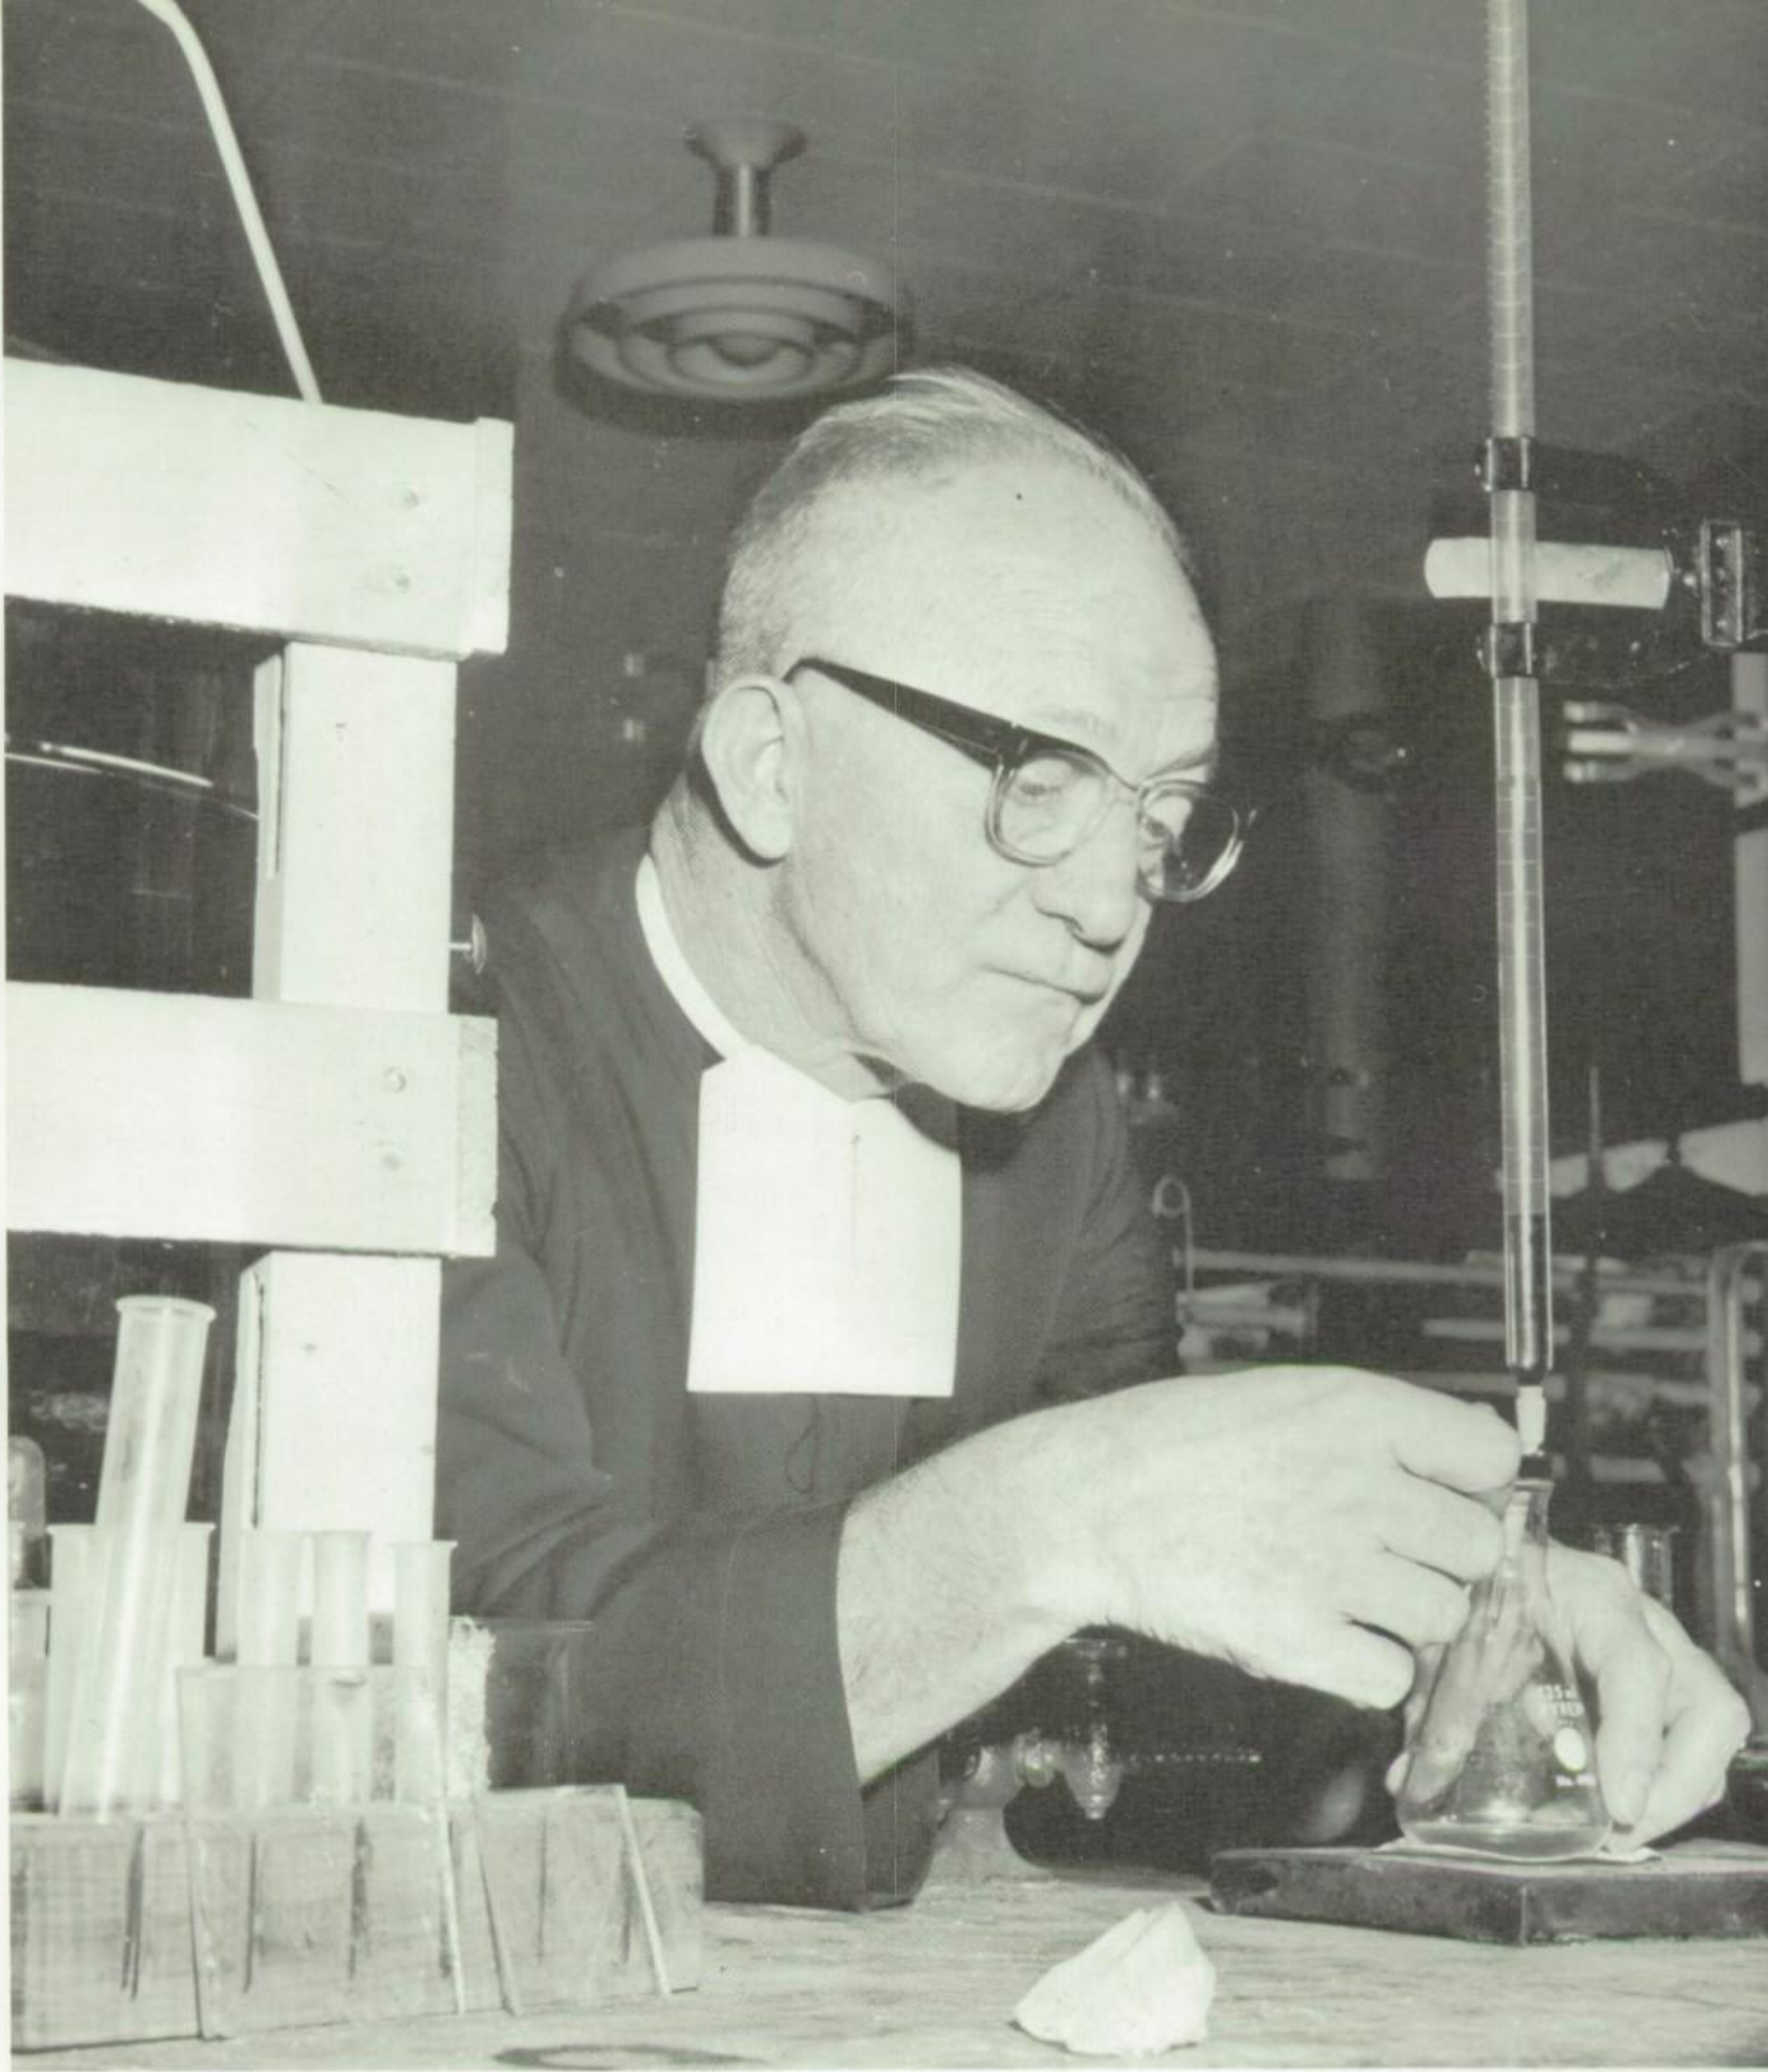

Year by year, day by day, our world fills itself with an ever-increasing number of ideas, ambitions, likes and dislikes. We are born into that world which engulfs us with thousands upon thousands of these feelings . . . the Signs of the Times.

The Signs of Yesterday . . . represent growth and formation, for yesterday began with simpler foundations.

The Signs of Today . . . fill us with enthusiasm. We see it reflected in the faces around us in places both near and far.

The Signs of Tomorrow . . . challenge us and encourage us to go on.

. . . the Signs of the Times. And the Bradley Pioneer daily encounters them.

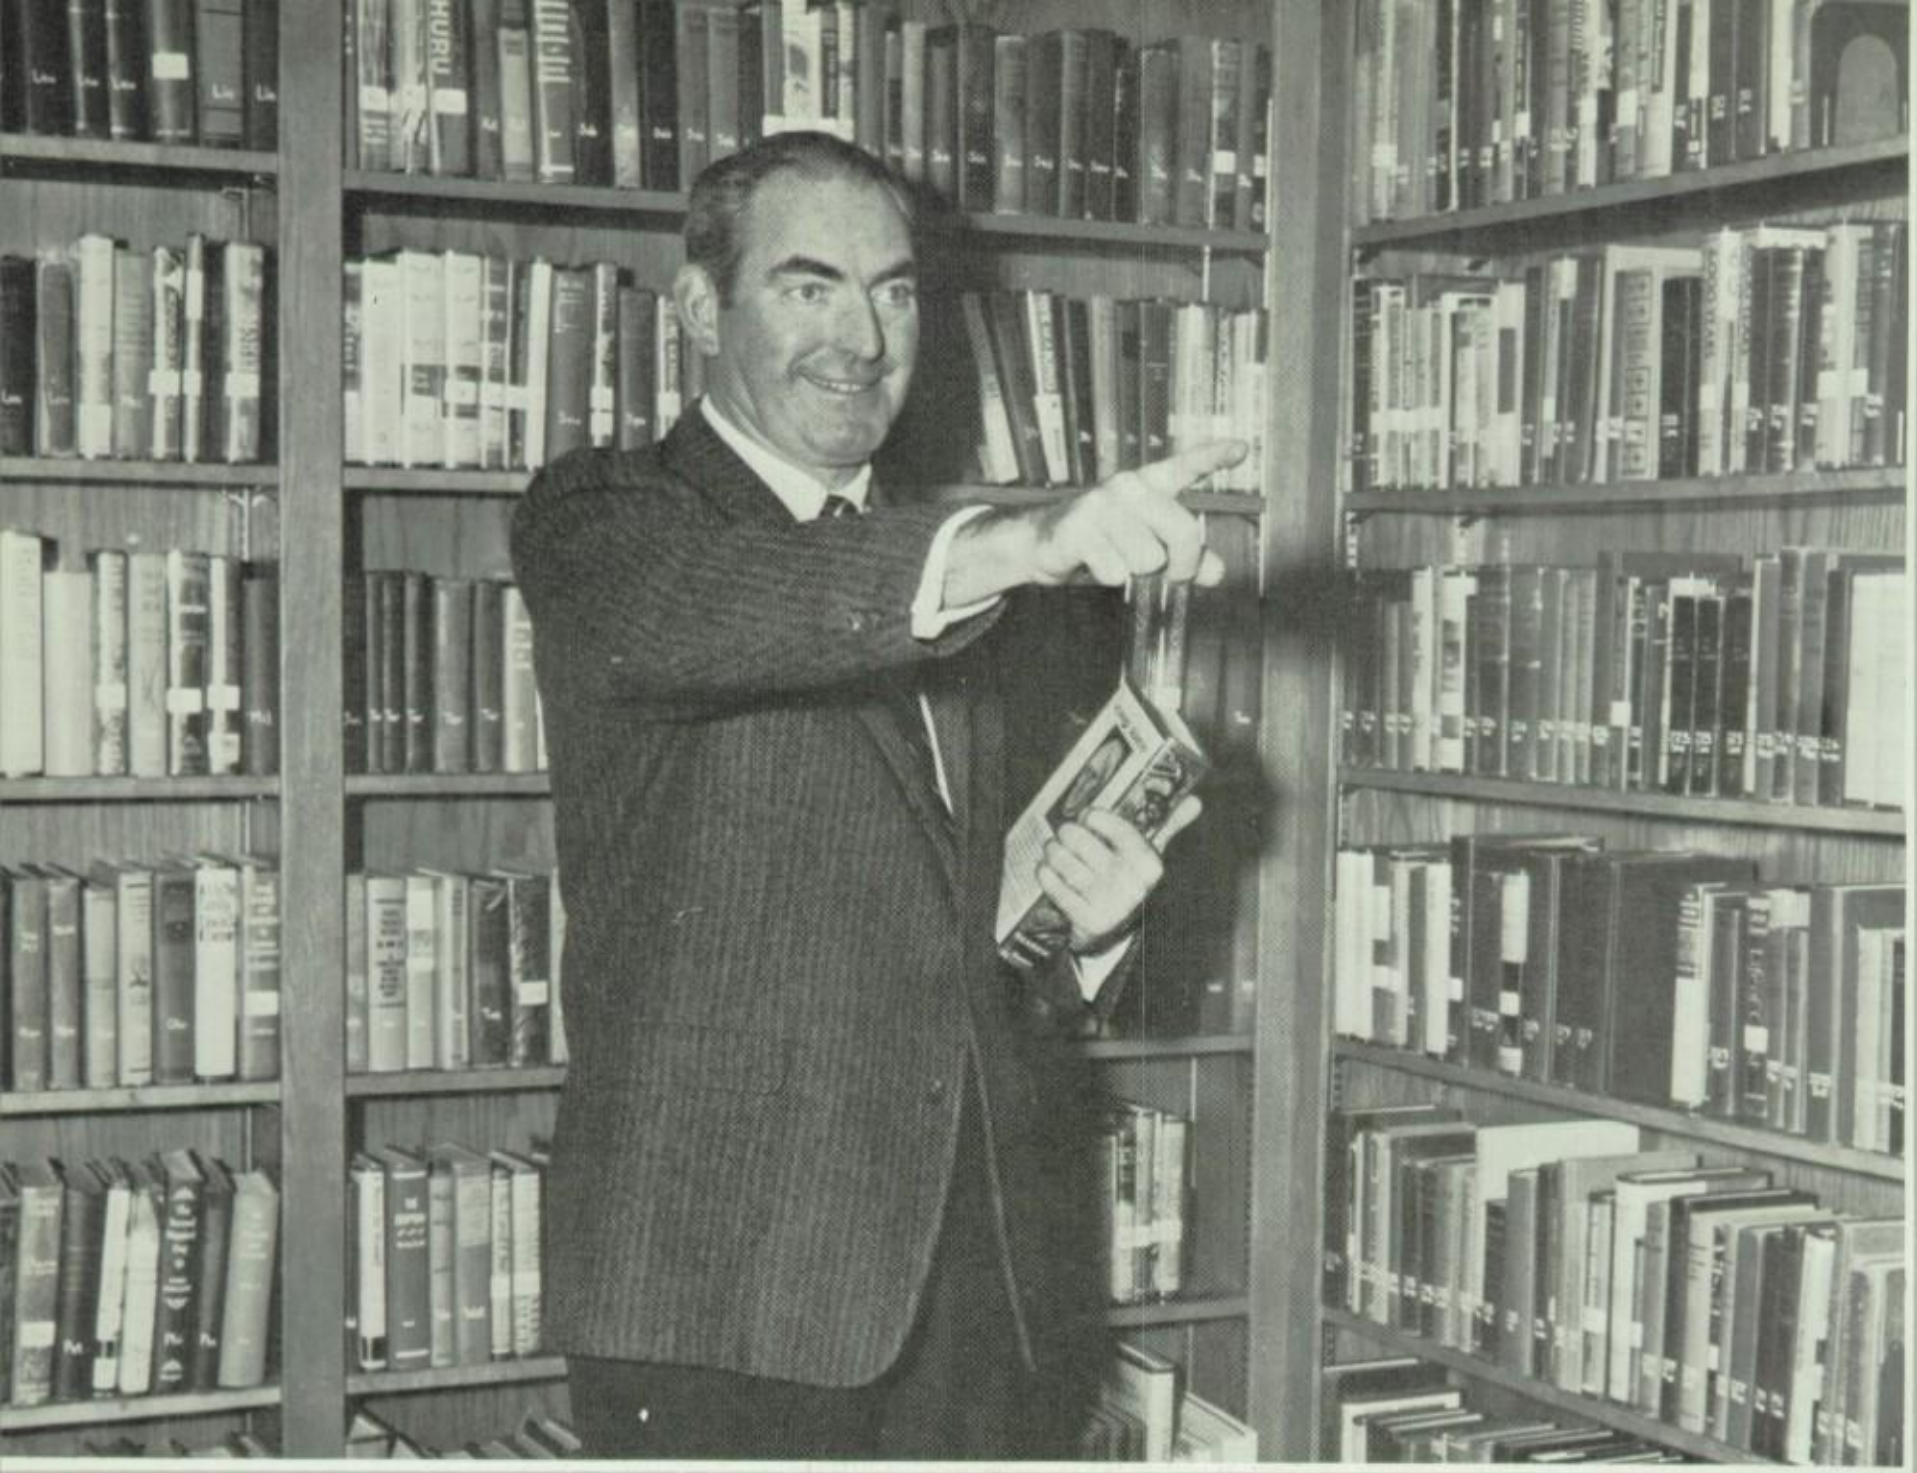

Dedication

The 1969 *Pioneer* is proudly and respectfully dedicated to Brother Thomas Lehning. We hold him, as teacher and friend, in high esteem for his unselfish devotion to Bishop Bradley High and its students. Chem labs, class papers, attendance—these are but a few of the activities that involve the services of this untiring and patient man who has put above all things the school and the people within it.
